

WHAT SET US APART

Our little township of Anushaktinagar can boast of one great hero, who changed the lives of almost all who dwell here. A visionary who dared to dream; who unfolded his dreams to reality. The legendary Dr. Homi Bhaba. The colony of Anushaktinagar is his brainchild. Let us rewind and retreat back to a few years and look through the eyes of our mentor, then a brilliant young scientist who began writing the history of the years to come:

Let us begin our journey from 1966. The survey began. AECS-1 was laid in 1966 by the auspicious hands of Dr. Homi Bhaba. He gave the township a perfect gift - the beginning of an educational era in Anushaktinagar. A vast number of elements combine to make an institution unique. Atomic Energy Central School 1, Mumbai is affiliated CBSE Board.

The school is fully functional today with strength of 1000+ pupils, classes from Pre-Prep to Tenth. . It is a premier institute governed by the Atomic Energy Education Society, an autonomous body under Department of Atomic Energy, Govt. of India, and located at Anushaktinagar.
